To whom it may concern,

I met Mark Errichiello originally at an open for inspection some months ago and immediately struck a strong rapport with him and invited him into our new office to have a chat.

What impressed me about Mark was his warmth and quite unassuming style, I got to know Mark further when I appraised an apartment for him, his professionalism and personality really came to the fore and my respect for him developed further.

Recently I worked closely with Mark in his role as director of Master Advocates when a property we were marketing was sold. Mark again was impressive in all discussions we were having with the vendors and if I ever needed the services of a buyer's agent or vendor's agent I wouldn't hesitate to call Mark Errichiello of Master advocates.

If you prefer to speak personally to me about Mark please call me on 0408 313 642.

Yours sincerely,
Pagan Real Estate
